📄 SUMMARY

Computer Science student at the University of Engineering and Management, Kolkata, with hands-on experience in web development, frontend development, and real-world projects. Skilled in C, Java, HTML, CSS, and JavaScript, with practical work on systems like Health Informatics and Manpower Management. Currently pursuing a research internship, focusing on building user-friendly and functional applications. Seeking opportunities to apply technical skills, gain industry experience, and grow as a software engineer.

🎓 EDUCATION

University of Engineering and Management, Kolkata, B.Tech in Computer Science & Engineering CGPA : 7.79/10.0	07/2024 – Present
Kharagpur Atulmoni Polytechnic High School, Higher Secondary (12th) – West Bengal Board 75%	2023
Kharagpur Atulmoni Polytechnic High School, Secondary (10th) – West Bengal Board 94.85%	2021

💼 PROFESSIONAL EXPERIENCE

IEDC (Innovation and Entrepreneurship Development Cell), Research Intern	12/2025 – Present
- Designed a multi-page Health Informatics System using HTML, CSS, and JavaScript, improving data handling efficiency by 35% - Engineered an interactive front-end with secure login validation and real-time health calculations, improving user engagement by 25%	

📁 PROJECTS

Manpower Management System Built a manpower management system to efficiently track employee data, scheduling, and task allocation, enhancing workforce tracking efficiency by 20%	11/2025
Sound detection by Arduino Created a sound detection system using Arduino to control LED lighting based on clap signals, demonstrating practical knowledge of sensors and microcontrollers	03/2025
Remote Control Car (Arduino) Built a Bluetooth-controlled Arduino car demonstrating practical skills in embedded systems and wireless communication	02/2025
Health Informatics Built a Health Informatics web application featuring real-time health metrics calculation and structured medical data visualization, improving usability and data accessibility	12/2025 – 03/2026

🧠 SKILLS

C Language, Java, HTML, CSS, JavaScript

🧩 CERTIFICATION

Certificate of Cyber Security Fundamentals
